## & p Earthquake Preparedness

Vanuatu is located in the Pacific Ring of Fire, where seismic activity can occur. While earthquakes are usually minor, we want you to be prepared and feel safe during your stay.

### During an Earthquake:

- DROP to your hands and knees
- COVER your head and neck under sturdy furniture
- HOLD ON until the shaking stops
- Stay away from windows and heavy objects
- If outdoors, move to an open area away from buildings

### After an Earthquake:

- Check yourself and others for injuries
- Be prepared for aftershocks
- In case of emergency, proceed to the main reception area or the beach gazebo. Our staff will guide you to safety.
- If near the coast and shaking is strong/prolonged, move to higher ground
- Follow resort staff instructions - we are trained for emergencies
- Tsunami Warning: If the ocean recedes unusually, move to high ground immediately
